Some Things to Remember

- Even though it is physically possible for a student to participate in both the calculator competition and the Frosh/Soph 8-person Team competition this year, please remember that it is NOT allowed.
- If you have a stopwatch, please bring it with you so we have adequate stop watches.
- Coffee, tea, and doughnuts will be available for coaches in the H-254 Contest Headquarters all morning.
- You may take your students to the cafeteria or stay in your homerooms for lunch. Harper has no lunch service on Saturdays.
- The awards ceremony will be on the first floor of A-building. Roughly 250 chairs will be set up for this event, so unfortunately each school will be limit to only 27 people for seating (unlimited standing space is available). We sincerely apologize for these space issues and restrictions.
- NO changes may be made to any rosters after 8:45 a.m. on Saturday morning.
- Please bring updated lists of your rosters with you if possible to check-in.
- Proctors should bring their results to H-254 Contest Headquarters as soon as possible after events to facilitate processing.
- At least one coach should remain in the school's homeroom when students are present.
- Buses should pull into Lot 6 to drop off students in the morning and pick them up after the award ceremony. Enter through building H and signs will direct you towards building D where homerooms are located.
