

# THE ICTM STATE MATH CONTEST SONG

Words and music by Richard Rhoad

It's the ICTM State Math Contest  
And the Mathletes are here to stay.  
Algebra, Calculators, Pythagoras,  
Problem solving all the way.

It's the ICTM State Math Contest  
Great questions for challenge and play.  
Stimulation for students, ideas for teachers,  
Illinois it's a glorious day.

Illinois it's a glorious day.  
Illinois it's a glorious day.
