

## State Finals Contest – Quick Facts

**Note: The information below is intended to give a quick overview of the State Finals Contest. Please refer to the Contest Manual for details and official rules. All participants and coaches are responsible for knowing the rules of the contest.**

**Special Note: Due to timing and personnel issues, the eligibility for competing in the State Finals is DIFFERENT than the eligibility for the Regional Contest.**

The State Finals Contest consists of twelve areas of competition. Students may compete in a maximum of three of the twelve competitions. For eligibility purposes these two areas are divided into three groups of competition, of which a student may compete in a maximum of one from each:

**Competition A** – Algebra 1, Geometry, Algebra 2, Pre-Calculus

**Competition B** – Freshman-Sophomore 8 Person Team, Junior-Senior 8 Person Team, Calculator Team

**Competition C** – Freshman-Sophomore 2 Person Team, Junior-Senior 2 Person Team, Freshman-Sophomore Relay Team\*, Junior-Senior Relay Team\*

During competition A, B, C, an oral team may compete as well. The oral competition takes place simultaneously with Competition A, B, C. **Members of the oral team must leave the same Competition slot open (either A, B, or C) to be eligible. ALL students (including oral team members) may compete in a maximum of three areas of competition.**

\*Due to space constraints, the Relay Competition is limited to those schools which are 'full team qualifiers'. See the Relay Team Info link on the website and the Contest Manual for further information about the relay competition.

Sample State Finals Team Roster Using Maximum Eligibility  
Fr – Freshman, So – Sophomore, Jr – Junior, Sr – Senior

**Notes:**

1. Students may compete in a maximum of one contest per column.
2. Both members of the Oral Team must leave one column of competition open for the purpose of scheduling the oral competition.
3. Due to space constraints, the relay competition is open ONLY to those schools which qualified a full team for the State Finals Contest.
